Dear Dr. Narisha Maharaj:

The Radiological Society of North America (RSNA[®]) is pleased to grant you permission to reproduce the following figures in print and electronic formats for use in your collective literature review for a master of medicine degree, provided you give full credit to the authors of the original publication.

Figures 1, 23a, 23b
Silva A C, Pimenta M, Guimaraes L S. Small bowel obstruction: what to look for. *Radiographics*
2009;29:423-439.

This permission is a one-time, non-exclusive grant for English-language use and is exclusively limited to the usage stated and underlined above. The requestor guarantees to reproduce the material as originally published. Permission is granted under the condition that a full credit line is prominently placed (i.e. author name(s), journal name, copyright year, volume #, inclusive pages and copyright holder).

This permission becomes effective upon receipt of this signed contract. Please sign a copy of this agreement, return a signed copy to me and retain a copy for your files. Thank you for your interest in our publication.
