### **Submission of a manuscript for evaluation and publication**

We hereby submit this manuscript entitled “Retrospective clinical analysis of adverse drug reactions associated with antiretroviral therapy in the Tlokwe sub-district in South Africa” by R van Graan (first author), M Rheeders, F Motara and M Viljoen (corresponding author with affiliation contacts to University of the Western Cape)

This manuscript has not been published and is not under consideration for publication elsewhere.

We hope you will find our manuscript suitable for publication in the SAFPJ and look forward to hear from you.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Michelle Viljoen', on a white rectangular background.
